# Administration . . .

Each year, I appreciate more the privilege of working with you students of M.A.D. Your idealism and your enthusiasm are in the best traditions of our school.

These same qualities of idealism

and enthusiasm will make it possible for you to achieve greatly in the years ahead.

Sometimes when we think of the inventions of the past fifty years — the automobile, the airplane, radio, television — we wonder if there is anything left for the future. Be assured that the achievements of your generation will most certainly be greater than those of the past. Our scientists and leaders of thought in every realm of endeavor constantly tell us that the opportunities for the future will surpass anything we have known thus far.

New and greater inventions, new patterns for social advances are waiting for the genius and industry of the youth of today. For those who, like you, possess qualities of leadership — including the desire to be of service to your fellows — there will be a great new era of accomplishment.

STANLEY C. McCLINTIC

*Superintendent*

## Principal

All of us who have been associated in any capacity with Monrovia-Arcadia-Duarte High School, whether it be for a year or any number of years, possess a deep feeling of pride that comes from belonging to a great institution. The excellent reputation that our school enjoys today, in both scholastic and extracurricular activities, is the result of the cooperative effort of students and staff members alike, down through the years. We must continue to work, not only to maintain, but to build upon this fine reputation. By so doing, the words, "There is a high school in the valley, which is lacking not in fame . . ." become more than merely lyrics to our school song; they continue to be a reality.

FRANK E. WILLIAMSON

## Vice Principal

Our sincere congratulations and a "well-done" to the Class of 1954. With graduation comes a deeper sense of responsibilities that will be yours in the days and years ahead. May you treasure, as priceless possessions, the high standards and ideals you have shared in developing as members of our school community. Your pride in the student body will grow through the years as those who take your place continue to maintain its enviable reputation.

NATHAN S. McCRAY

*Congratulations on a fine

Hope you can help us on

Good luck.*

## *Deans and Counselors*

"Why Don't You Believe Me?" wails a poor pathetic little voice emanating from the portals of the joint office of the Deans and Counselors. Listening with understanding minds and, sometimes, a faint trace of a smile at the various versions of excuses, these four leaders become good friends, carefully planning and guiding us through our years at MAD.

Miss Clytis Cummins

Mr. Glenn Grout

Mr. Thomas Griffin

"Too many people die mentally at the age of eighteen. Why not cut down the mental mortality rate?" These are the words of our M.A.D. night school principal, Mr. Thomas Griffin. Four nights a week our seats, filled with reluctant learners during the day, are filled with eager learners-by-choice who have not died mentally.

Mr. H. C. Danforth

Tall, dignified Mr. Danforth, who came to our school the latter part of last year, has quietly, but with unfailing efficiency, found his place as M.A.D.'s business manager. He purchases everything used in our school from paper clips to school buses.

## CAFETERIA AND KITTEN KOOP

**Home on the Range.** Slaving away over a heated range until it is so familiar they call it home is the greatest gang of cooks ever—the cafeteria staff. **Temptation!** This explains the clever tactics used to lure a horde of starving students, especially after an active gym class, by Ma Parks and her crew in the Kitten Koop. Everyone eagerly awaits a luscious lunch from a traditionally good spot. **High Noon!** Money is counted, change is made, eyes scan the menus, and the race is on! You elbow your way to the front of the line, call your choice a dozen times, and after a period of starvation—you eat

*Best wishes to Jim -

## ATTENDANCE OFFICE

All day, every day, our sporting friends in the attendance office continually hear innocent, anemic voices raised pleadingly, "But, I was there!" **Tell Me A Story** suggests helpful staff personnel. After patiently hearing a variety of pet excuses, they clear fifty to two hundred absences each day. A motto in this office is "He that is good at making excuses is seldom good at anything else!"—an adage of Ben Franklin, true even in our day.

Mrs. Lewis, Mrs. Matteson, Mr. Baumgartner, Mr. Clovis Smith.

## STUDENT STORE

Singing the praises of the student store comes easily to Madites who appreciate the efficiency of Mrs. Ann Fox and her student assistants, chosen from salesmanship classes to meet the demands of campus consumers.

good employee

## BUS DRIVERS

**Show Me the Way to Go Home** might well indicate one of the many functions of our own bus drivers in transporting students of MAD to and from school. Tolerant and good-natured, they also provide the ways and means for G.A.A. playdays, teams, band and pepcats to "foreign fields." Perhaps most exhaustive of their duties is putting up with all the din of enthusiasm, following concerts away from school! To our bus drivers, we are eternally grateful.

# Faculty

Teachers! Teachers! Teachers! What can you do about them? What would we do without them? Some of us are quick to find fault with them, but few of us would care to trade places with them in similar circumstances. Mentors, or tormentors, they set the example and guide the way in what is, too often, a thankless profession. But for most of us, our memories of MAD campus life will always be linked with our MAD and highly respected teachers.

# Classes...

*Spent money*

# Freshmen

Freshman Problems, white-washing the Big M, bewilderment plus, first-day jitters, last-day ambitions, first dances, new faces, old friends, beanies, rooters, busses—all of this and more and more and more go into the word, "freshman." These students are truly **Strangers in Paradise**.

Keith Lincoln, Linda Allingham, Marilyn Pollard, Don Everett.

# Sophomores

In their **Return to Paradise**, the sophomores seemed to be the happiest but most neglected people on campus. Seemingly wise in the ways of the world, the sophomores are old hands at classes, dances — and alibis. Plane geometry, lunch permits and the attendance office pose no problems to this self-assertive class.

Some people go as far as to say that the sophomore year is the most inconspicuous, but this class of '56, under the fine leadership of President Louis Johnson and the sponsorship of Mr. William Finder, has again made the MAD spotlight.

Louis Johnson, Sue Hatfield, Marilyn Jones, Beverly Gaebel.

# *Juniors*

**I'm Walking Behind You.** Upperclassmen today; Seniors tomorrow. The class of '55 has its greatest moments busying itself with such things as caring for Willy Wildcat in the patio, enduring the awful pains of U.S. History, trying to keep off the weekly tardy lists, making the hard choice of its first class ring, and treating the seniors to a terrific prom. Class president, John Scott, with the able help of his officers, sponsors Mrs. Margaret Haney and Mr. Leonard Morris, and, of course, the juniors themselves, give this class a most successful and happy year to remember.

# Seniors

**Sitting on Top of the World** is the senior class—happily awaiting graduation from MAD. Its four officers are enthusiastically but sadly awaiting the day they leave, having made plans for such events as the senior barbecue, senior assembly, and the purchase of the class gift. Other important activities carried on by class members were sitting on senior wall, possessing the choice lockers in Lower Main, sitting "down in front" in assemblies, going to American and Senior Problems classes and signing, for the last time, their names in the last spot left in the '54 Monrovia.

#### ANNAUL STAFF

Songs . . write-ups . . . deadlines! Pictures . . . Mr. Gill . . . Deadlines! Layouts . . . Mr. Hubbell . . . DEADLINES! these are but a few of the problems that furrow the brows of Annual staff members as the Monrovia is s-l-o-w-l-y jig-sawed into some semblance of order.

*Monrovia*  
Annual Staff

Sally O jogs memories and jangles nerves as she puts the senior section together. Kent H pieces in the Sports copy and pix, causing coaches to consult psychiatrists. Rosie A bounces about and cajoles to patiently piece the Girls' Sports into

recognizable form. John H and Bob H, with the help of Dick T, contact the businessmen for Ads, make dates (with each other, yet!) and take Mr. Phillips along on picture-taking jaunts. The Siamese Twins, Kathy S and Ed S, cooperate on the Club section. Jan S looks innocent and pleads with the Faculty to "please get your pictures taken, and proofs returned!" Barbara R, the office owl, looks wise, pens in the art work and the Division pages. Dick S, the staff mole, takes more pictures and meets the nicest negatives (in the dark-room) in the world. Harriet F and Jim S supervise the total chaos, and Mr. Oliver looks wildly around and wishes he'd never been born! From time to time, Miss Geddes looks in and sanity is restored.

With everyone helping each other, this book is now yours—the 1954 Monrovia!

## WILDCAT Rated as 'First Class'

The journalism classes received word last week, from the National Scholastic Press Association, that the WILDCAT has been credited with a "first class" rating.

This rating was for the '53 spring semester issues edited by Mirth Kiehl. Linda Woolbert who was managing editor has taken over the responsibility of editor this year. Her managing editor is Roy Gilmore.

Rated in a number of categories, the WILDCAT received the highest praise in the quality of the printing. Instructor Omer Bailey and Assistant Bill Yocum and the print shop share this responsibility.

**MONROVIA**—Young editors of the prize-winning Monrovia-Duarte High School student newspaper, the Wildcat, have learned there's only one thing that gets a reader madder than misspelling his name—that's leaving it out.

That's why a dim view is taken of staffers who lose their notes, put stories on the wrong spike or in the wrong basket, or just forget to turn them in.

The editors quickly learn the paper's first purpose is informing the school and community.

But since 1921, when it consisted of four mimeographed sheets, the paper has also become a training ground for scores of future working journalists and a springboard for still others planning to enter the fields of advertising, printing or photography.

### Ballots Reveal Want for Music, Talent Programs

A mere 90 students filled out the ballot in last week's WILDCAT and made suggestions to improve assembly programs.

The results have been tabulated and turned over to Vice-Principal Nathan McCray, who will discuss them with student government leaders.

### WILDCAT to Help Fight Tuberculosis with Seal Campaign

Tuberculosis, the dreaded killer of thousands each year, will be the feature subject for second page in this and next week's issues of the WILDCAT. The two issues will be submitted to the National Tuberculosis Association for judgment in their nation-wide endeavor to spread knowledge of the disease and to aid in the sale of Christmas Seals, which are the backbone of the fight against the killer.

The material was prepared by WILDCAT second page editor Randy Kone with a cartoon by Peter Murphy, a member of Mrs. Lubin's art department and president of the MAD Cartooners.

### Pictorial Review

"The second annual Football Pictorial Review is due to be on sale today or Monday," it was announced at press time by Editor Linda Woolbert. Because of the work involved in printing and assembling the 24-page review, the exact day for sales could not be announced in advance.

#### BAND CONCERT

Monrovia-Arcadia-Duarte High School has long held the envious reputation of being "tops" in the field of fine arts, as well as outstanding in the more practical aspects of education. No exception was the concert, in March, at which the band was given a rousing reception. With selections from Tschaikowsky to Gershwin, the appreciative audience was left with memories of Norman Welch's arrangement of "Slaughter on Tenth Avenue," an unusual tympani solo by Cosette La Plante, and a lively playing of "Caprice Espagnole" by Rimsky-Korsakoff, to mention but a few selections. Conductor Harold Scott narrated the program entertainingly.

#### ORCHESTRA

This year our orchestra, under the baton of Mr. Harold Scott, presented themselves as one of the finest ensembles in Southern California. Winning top honors at the Pomona Music Festival, they also gave a Sunday concert for the public. Giving a concert for both assemblies was another of their many presentations.

#### CONCERT BAND

Adding a final professional touch to any program in which they appear is the Senior Band, under the able leadership of Mr. Harold Scott.

Playing for the dedication of the Santa Anita District Courthouse, as well as the dedication of the new Marquee, putting on an assembly, presenting the annual concert and performing in the Southern California Music Festival—these are among the numerous appearances on the busy calendar of the fifty musicians that compose this year's Senior Band.

You very seldom see them running around, and never hear them, but nevertheless they are there, doing their job and doing it well.

### A.S.B. PRESIDENT

Heading our student government as A. S. B. president, Larry Cullinane led us through a successful and productive year. He put forward such projects as a lighted marquee, and a sidewalk painting of our favorite school emblem. Larry masqueraded as Willie Wildcat and turned his literary talents toward penning a **Wildcat** column in which he urged us to "keep that great M. A. D. spirit."

Larry Cullinane

Willy

Larry

With a surprise debut in assembly which nearly brought down the house, Willy and Wilma Wildcat, clad in colorful green-and-white costumes, began their MAD-cap careers, the beginning of a new school tradition. Their antics at pep rallies, games, assemblies, and most notably at the Girls' League Fashion Show, were hailed with great glee.

Bob Huntington

### A.S.B. VICE-PRESIDENT

M.A.D.'s man of distinction, Bob Huntington, puts his executive aptitudes to work filling the office of A.S.B. vice-president, his musical talents to become student band director, his scholastic ability to gain a Boys' State post, and his winning ways to become top A.S.B. card salesman. A willing, hard working person, Bob's popularity is well-deserved.

### CABINET

The A.S.B. Cabinet this year formed the backbone of our student government. The cabinet originated ideas and outlined school policies which later came before the House for approval or rejection. Consisting of the A.S.B. President, Vice-President, and seven associate directors, the cabinet handled the operations of the student government.

### HOUSE OF REPRESENTATIVES

The members of the House of Representatives proved themselves worthy of their positions. Many vital and important issues were brought before the House to be discussed and approved or rejected. The House undertook numerous projects during the year to improve our campus . . . the erection of the marquee, the painting of "Willie Wildcat" in the patio, the improvements inside the student store, to mention but a few.

## Girls' League

Introducing the MAD campus to apprehensive but appreciative freshmen girls is a regular activity every year of the Girls' League. Designated the Freshman Tea, this long anticipated activity this year was headed by Joan Cowley and Pat Dye and sponsored by Mrs. Helen Adams and Miss Myra Hotchkiss. Included in the social calendar was a fashion show, featuring new length jumpers and tricky petticoats; a talent show, unveiling some of MAD's future stars; sponsoring Congo Capers, the highly successful Coco-nut Groove dance; and, crowning the year's activities, an impressive candlelight installation of the newly elected officers.

ROW 1: Webber, McKinley, Bishop, Hester. ROW 2: Burt, Gilbert, Moore. ROW 3: Watson, Story, Mr. Robert Manning.

## Boys' League

George Moore, Ron Hester

Under the excellent leadership of George Moore and sponsor, Mr. Robert Manning, the Boys' League has gained additional recognition. For a starter, they hosted Freshman Day, on which new boys were shown around the campus. Presenting many outstanding assemblies, installing a public address system in the gym, and co-sponsoring the Christmas dance, "Fantasy in White," were but a few of the events on the agenda.

# Madquins

At the last Girls' League meeting of the year, twenty proud and happy hopefuls became Madquins. During the year, these twenty girls often donned their navy skirts and white sweaters for special occasions. Their leaders, Suzie Luckenbill, Sally Oman, Mary Howe, and their sponsor, Miss Foreman, planned potluck suppers, parties with the Monarcs, collecting of toys for orphans, serving at banquets, supervising of elections, and ushering at school activities, in which all members eagerly participated.

## Law and Order

### STUDENT COURT

"Hear ye! Hear ye! Hear ye! The Student Court of Monrovia - Duarte High School will now come to order! Justices Wes Gregory, Barbara Prior, and Roy Gilmour are seated at the bench!"

With these words by Bailiff John McNerny, the Student Court convenes to mete out justice with a firm hand.

Working with the assistance of Court Secretary, Barbara Gillespie, and through the advisorship of Mr. Mitchell Oliver, our Court punishes wrong-doers for committing such crimes as: no hall passes, eating culinary delicacies in the halls, and all other forms of organized crime.

Mr. R. M. Oliver, Roy Gilmour, Barbara Prior, John McNerny, Barbara Gillespie, Wes Gregory.

## MAJORETTES

With their peppy strut and snappy twirls, our majorettes performed many tricky routines this past football season. Through endless hours of work, they practiced perfecting their skill in baton twirling and perfect precision. Head majorette Marie Ostergaard, along with Beverly Gaebel, Barbara Dunn, Billy Sue Brooks and Barbara Covey, could be seen every Friday night on the field displaying their spirit and enthusiasm as they went through the stunts with the bands and pepcats.

Barbara Dunn, Barbara Covey, Beverly Gaebel, Billie Brooks, and head majorette Marie Ostergaard.

## Pep and Precision

### PEP COMMISSION

Full of vitality, the flood of ideas never running dry, the Pep Commission spends long hours, devising new and original card stunts . . . delighting spectators at football games . . . stirring up school spirit. But the grueling work, long hours, spent after school are rewarded by our having the distinction of being the only high school in the Pacific League with a card section!

### STUNT COMMISSION

Originating and planning the stunts for each football game was the task that the Stunt Commission undertook every Friday noon in the Girls' Health Room. These meetings were attended also by Mrs. Yenney, Mrs. Thornton, and Mr. Lindfors, the marching band director during football season. The stunts turned out by this Commission made our halftimes this year a huge success.

## *Yell Leaders . . .*

The rich, golden-brown harvest of fall usually means a crispness in the air, the sharp crunching of leaves underfoot, the lift of back-to-school days after a long, languid summer, pep rallies, football, election of class officers, football, the Hi-Week Dance—and football!

With football comes rooting sections, and, accompanying the delirium, the yell leaders. Vigorously leading the yells of MAD are three well-known 'Cats around campus: Ron Linderman, Harlan Hanson, and Bob Buster. Putting all the pep and spirit possible into each yell, they encourage the team on to victory. After every game—in victory or defeat—these indefatigable 'Cats proudly lead us in the Alma Mater.

## *Song Leaders . . .*

Brightening the campus with their sparkling personalities, spreading their contagious enthusiasm and exhibiting the tops in spirit, are the enchanting song leaders of Monrovia-Duarte High School.

It would not be a complete football game without those inviting smiles, colorful green and white outfits, and encouraging urges to "sing real loud" from the songleaders. A great deal of the responsibility to arouse school spirit lies on the pretty shoulders of Helen Ahlroth, Judy Coleman, Suzie Hardy, Karen Lewis, and Carol Schmidt, who do an exceedingly good job of inducing that responsibility. Whether in pep assemblies or out on the football fields, the girls hold an important position in high school memories.

## *Pep Cats...*

Sally Oman, Rosie Armstrong, Phyllis O'Laughlin.

Practicing tirelessly every Thursday night and freezing in sleeveless dresses every Friday night are the inspiring Pep Cats.

Under the direction of Mrs. Thelma Yenney and Mrs. Betty Thornton, they rehearse with the MAD Band until each stunt is perfect in detail while homework waits patiently(?)

Two minutes before half-time, frantic hands scrambling for their owner's pompoms, racing to make the goal posts in time, marching energetically on the field as the announcer introduces Rosie Armstrong and her Pep Cats, going through the stunts and routines in an enchanted daze, and marching proudly off the field—these are the memories of a Pep Cat.

## *Marching Band...*

Adding color to the football and basketball games, this year's edition of the Wildcat Band helps to muster the usual high degree of MAD spirit. The combined talents of the sixty-five musicians produced a precision organization of which we may well be proud.

Pouncing onto the '53 gridiron with their fangs bared and claws glistening, an inspired Wildcat squad captured second place in Pacific League standings. The 'Cats were stalked by larger prey in their initial encounter with the Whittier Cardinals. However, Monrovia rose up in all its fury to scratch and claw their way to six straight victories, climaxed by the 33-19 upset over Pomona. John Daniels and Keith Broaders can take a bow for their debut as MAD Varsity football coaches.

LINEMEN, Left to Right: Bartlett, Ross, Shade, McNerney, P. Burton, Huffman, Dettbarn.  
BACKFIELD: Earle, O'Brian, Clarkson, Burke.

Coach Alan MacAdam

Captain Frank Bartlett

Popular Coach, Alan MacAdam, came up this season with the best J. V. team ever at M-D. The team wound up in second place in league competition, losing only two games by a hair. The Keppel game was lost by a mere three points, and the Whittier tilt by a touchdown made in the last few seconds of the game. The team showed a lot of spark and determination to win and deserved to be in the top berth. Jim O'Brian scored more touchdowns than any other player, making eight from his fullback position. Another great player was pass-snatching end, Frank Bartlett, who was chosen captain by his team-mates.

Co-Captains Mickey McKinley and Don Mainwal.

Although the Bee's met superior opposition this past year, they achieved the goal of attaining grace, form, and leadership, taught to them by Coach Bob Fish. Injuries throughout the season handicapped the team greatly, taking four members of the first string. Wildcats can look forward to seeing many of the team members in future Varsity football action. Two good players who will be missed are Don Mainwal, hard-hitting guard, and Mickey McKinley, speedy halfback. They were Co-Captains of the '53 Bee team.

LINEMEN, Left to Right: Powers, Weber, Mainwal, Peterson, Shook, Krieg, Hayes.

# Monrovia's Mighty Mites

LINEMEN, Left to Right: Robey, Urban, Rickman, Maxey, Myer, Bornt, Schlan.  
BACKFIELD: Reyes, Lincoln, Threadgill, Kirchefer.

For the second time in MAD Cee football history, the Mighty Mites, boasting many returning lettermen, went undefeated and untied to take the championship. They were not even scored upon until their last game, besting Mark Keppel, 12-6. This was, however, the only close encounter of the year for the Cees, as they humbled their opponents by such scores as 44-0 and 34-0. Coach 'Dink' Walker did a remarkable job teaching the team the fundamentals of the game. Greatly responsible for the team's success were Co-Captains Clarence "PeeWee" Kirchefer and Larry Myers.

Larry Myers, Coach Disparti, Ray Johnson

Mr. Disparti proved to be a success in his first year as mentor of the Wildcat Cee Cagers as he taught many valuable fundamentals of the game to the Cees, enabling them to look like professionals during their many exciting games. Larry Meyers and Ray Johnson were chosen Co-Captains by their team mates.

ROW 1: Barnes, Banner, Reyes, Bishop, Greene.  
ROW 2: Johnson, Myers, Morgan, Robey, Miller, Polk, Ray

# The Dee Team

ROW 1: Swope, Solar, Hardin, Johnson, Seymour, G. White.

ROW 2: Livingston, Mgr., Smith, Patten, Grondzik, Lincoln, Everett, Schubert, Theiler.

Tom Grondzik, Coach Disparti, Keith Lincoln

Winding up in second place, the strong Monrovia Dee basketballers of '54 displayed many of the fine Varsity squad members of tomorrow. Keith Lincoln and Tom Grondzik, Co-Captains of the Dee Demons, are two boys to keep your eye on.

Coach Verl Murray produced the finest cross country team in MAD's history as they easily captured second spot in Pacific League Standings. Ed Schoerner tied Jim Johnson's school record of nine minutes and twenty seconds for the one and eight-tenths mile course. Always giving Schoerner plenty of competition was Phelps Wood, captain of the harriers.

Captain Phelps Wood

*Jim -  
 It's been good getting  
 to know you this year

 time next year. Do

Coach Verl Murray

Our Wildcat spikesters tramped over all opposition this year to be the Pacific League Champs for the second time in a row. The entire team displayed an unusual amount of spirit and skill, thus enabling them to not only be champions but look like champions.

Coaches "Dink" Walker, John Danie

ROW 1: Gilbert, Linderman, Schoerner, Moore, McKinley, Hopkins, Gee, Vine, Lemmons, J. Johnson.

# The Bee Harriers

ROW 1: Porter, Burke, Kettle, MacDonald, Freneau, Pace, McKinley, Roach, Harris, Bowden, Powers.  
 ROW 2: Anderson, Taylor, Hayes, E. Johnson, Durden, Herkenrath, Relf, Ogle, Stacy, F. Durden, Legg.  
 ROW 3: Johnston, Struebner, Duncan, Coler-Dark, Wardlow, Sullivan, Carter, Greene.

Coaches Walker, Murray, Daniels.

At the time the Annual is going to press, the Bee tracksters are undefeated and look as though they may be in for their first championship in many a year. Strengthened by members of last year's first place Cee team, the Bees are going to be tough to beat.

Coaches Walker, Murray, Daniels.

Because of the lack of depth and having to play against the toughest teams in the CIF, the 'Cat Cees were unable to follow the championship path. George Winchell broke Howie Powers' shot-put record by catapulting the eight-pound ball fifty feet, six and one-half inches.

ROW 1: Ray, Winchell, Reyes, Wallace, Jackson, Houston, Blackwell, Perry, Blount, Collins, Grondzik.  
 ROW 2: Druce, Meyers, Bowers, Lincoln, Morgan, D. Collins, Pierce, Everett, Hardin.  
 ROW 3: Orrell, Calhoun, Fulks, Carr, Bocanegra, Mency, Patton.

# Our Varsity Horsehiders

ROW 1: Howarth, Bua, Becker, Borghetti, McBride, Bullack, Purbaugh.

ROW 2: Thompson, Holmstrom, Myers, Fauria, Palfrey, Green, Simpson, Auzenne.

To date, the MAD varsity baseball squad has a record of two wins and four losses. The two wins came about by thumping Covina 8-2 and El Rancho 3-0. Strong in the pitching department, but weak in batting, it can be said that the Wildcat baseballers of '54 will give all opponents a run for their money.

Good fielding, backed by strong pitching and adequate hitting, are responsible for the present top position now held by the Wildcat Junior Varsity horsehiders. With an enviable record of four wins, two losses, one tie, they seem destined, at press time, to vie for top honors.

Coach Mitchell Oliver

Following the tradition of championship tennis teams, this year's squad looks as if it will nab the Pacific League title. At the time the Monrovia goes to press, the MAD varsity netters have defeated all their opponents without much difficulty. Whittier is the only other squad of considerable strength and should give the racquetmen a race for the title right down to the final double-fault, ace or net.

ROW 1: McKinley, Warren, Wilson, Swall, Tuttle.

ROW 2: Gearhardt, Huntington, Bornt, Shugert, Benson, Olin, Oliver, Bell, Nystrom.

Undefeated to date, the Jayvee tennis squad has downed all of its foes by considerable margins. Led by the able tutoring of the varsity coach, Mitchell Oliver, these boys have done a terrific job of mastering the fundamentals of the game and assuring themselves a pleasant after-school recreation.

## GOLF TEAM

Under the capable and experienced direction of Coach Leonard Morris, MAD's golf team has shown a lot of spark and enthusiasm to conquer the difficult sport. Many of the future pro golfers of tomorrow can be seen on the '54 golf squad. One fine prospect is Manuel Lara who has scored consistently in the seventies.

## *A Gal's Goal*

From the time she enters MAD as a freshman, each girl has her eye on a goal. Participating in every sport . . . turning out for the "seven out of nine" practices . . . playing in class games and period play-offs . . . earning the 200 points which allow her entrance into the G.A.A. More hard work . . . more practicing . . . a little more effort . . . points piled up, one by one . . . taking on the extra duties: squad leader, basketball manager, etc. Finally, the accumulation of 1400 points—and Circle M! From then on, the competition is keen, with every girl out for the famous trophy, presented at the G.A.A. banquet to the girl who has earned the most points.

Only one girl can receive the G.A.A. trophy. But the companionship . . . the good times . . . the valuable lesson of good sportsmanship . . . the satisfaction of doing something well—these are the real prizes, the goal every girl can win.

n Teachers

W 1: Thornton, Yenney, Adams.  
W 2: Brelos, Beck, McKesson.

Mrs. McKinley, Mrs. Hanft.

"Wow! What a serve," "I wish I could spike like that," "Set it up to the front row!" are but a few of the intelligible yells during an exciting volleyball game . . . In basketball, the expressions change to, "Guard her!" "What a neat basket!" . . . Next, comes speedball, most strenuous of all the four sports, with girls shrieking "Kick it!" and "Guard that goal!" . . . "Safe!" or "Strike three, you're out!" and a baseball player either smugly retires triumphantly to the bench or dejectedly turns away from the batter's box.

### G.A.A. INITIATION

After a strenuous initiation day of worm-walking, molasses and feather bouts, and various other pre-membership rites, the weary and happy survivors can call themselves full-fledged members of the G.A.A.

### MAJORETTE CLUB

Practicing enthusiastically twice a week with high hopes of becoming a high-stepping, be-plumed majorette, leading the fame-deserving Wildcat Band and urging on the spirited Wilcat team is the ambition of members of the Majorette Club.

"Forty-thirty!" An energetic game of tennis can't be beat . . . Making like supple willow reeds in a high wind are members of Orchesis—modern dance, to you . . . "Hur-ry! Hur-ry! Hur-ry!" Clinking down the necessary coinage, Judge Sturgeon aids the G.A.A. in their money-raising cake-bake sale.

The difficulty of a croquet game is getting that monstrosity of a ball through the infernally small wickets: . . .

The only girls that don't dress in regular gym clothes are the female "Robin Hoods," otherwise known as the archery class. Attempting to hit the bullseye is difficult enough—especially when it's the first period of the day.
